

Capalaba Warriors

Sponsorship Packages

The Capalaba District Junior Rugby League Club is a family friendly community based sporting club.

Our aim is to provide a fun, safe, enjoyable environment that encourages all participants to reach their full potential no matter what their aspirations may be.

We aim to do this by providing the best possible facilities in an environment that aims to foster children's wellbeing.

As a non-profit organisation, much of the funds needed to improve our facilities, and provide the necessary equipment to maintain the high level of football training and playing comes from the local support of our local community.

It is through the generous support of local businesses that our Club continues to run successfully. Your generosity will be rewarded with exposure to thousands of local and Brisbane based players and supporters.

For further information or to commit to any of the following outlined packages, please contact:

Tanya Bonney : 0409 054 409
Cynthia Sargent : 0403 600 543
